Year 6 Prom

On Friday evening the children in Year 6 were treated to a red carpet Prom Party in Jessica's Hall. Amongst the disco lights and sequins the children had an amazing night drinking (non-alcoholic!) cocktails, eating wonderful food and dancing to some serious beats. The children and staff would like to thank all the Year 6 parents for making this such a special night and some photographs are available to view in the Galleries section of the School Website.

Tonbridge Community Day

On Wednesday, the children in Year 5 went to Tonbridge School to take part in their annual Community Day. In all around 600 children tackled an exciting range of sporting, artistic and academic pursuits which included wheelchair basketball, archery, language classes, drama, dance and music. The children had a wonderful day and managed to win their wheelchair basketball game 4-2 and won the tower building competition by building a free standing structure 266cm high! Many thanks to all the boys and staff at Tonbridge School for offering this opportunity to the children and to Ms Bettridge and Mrs Hill for accompanying the children.

New Front Door

You might have noticed that we have a new front door. We understand that the old front door is the original door from when the school was built in the 1870s. Although the door is in a fairly poor state of repair, the wood itself looks in good condition and might be of use or interest to someone. If anyone would like the door then we are asking for a £100 donation to the PTA on a first come first served basis. If interested, please contact the school office. Thank you.

Sports Day

Next Friday is Sports Day and all are very welcome to attend this event which will start at 1.30pm and take place on The Green. Thank you.

Hever Castle Triathlon

We are delighted to be taking Years 5&6 to Hever Castle for the annual Triathlon event THIS TUESDAY. This is a wonderful event and extremely popular with children across the Sevenoaks District. For further information please click on the link below. Thank you.

Transition Arrangements

On Monday the children's reports will be sent home with an accompanying letter regarding next year's class and staffing structure. These classes are PROVISIONAL and should not be discussed with the children. If you would like to see your child's current class teacher to discuss their report or class for next year, please do make an appointment to see them on Wednesday. Once the consultations have taken place, the staff and I will meet to finalise the class lists which will be sent out on Friday. Once the final class lists have been sent out then no further changes will be made and no further discussions around placement in classes will take place. The children will then have the opportunity to meet with their class teacher on Thursday 18th July 11am-12pm. Thank you.

Clubs

Please note that all school clubs run by members of staff will be finishing today so that we can focus on the Summer Production next week. Please note however that there is netball club on Monday but this will be the last session of the season. Clubs run by outside agencies may still be continuing for another week and if there is any confusion, please do contact the person running that club. This is a really good opportunity for me to thank all of you who have contributed to the clubs programme this year. In all we've run around 20 clubs a week and we can only do that with the support of all the parents and carers who give up a huge amount of time to run them. Thank you and we look forward to starting the new clubs programme in September.

SUMMER PRODUCTION

A letter with the final arrangements for the Summer Production was sent home on Wednesday. Please click on the link below for a copy of this letter. If you have any concerns or questions about the day itself, please do speak with your child's class teacher.
